# March is Problem Gambling Awareness Month

## Awareness + Action

Goals of this national campaign are:

- To increase public awareness of problem gambling and the availability of prevention, treatment, and recovery services
- To encourage healthcare providers to screen clients for problem gambling

KYC staff:

- Had a Facebook Live Town Hall with Cook County Commissioner Kevin Morrison on March 10
- Spoke to all 4 YACs about problem gambling among youth
- Will have several social media posts specifically about how healthcare providers can screen for problem gambling

Designed a new billboard - one on Lake Street and a digital one on Dundee (same design)
